

Pollinator Matching Game

Print and cut out each of the cards on the following pages.

Match each pollinator to its favorite plant!

Have someone hide the plants around your home or learning space. Choose any pollinator, and try to find its favorite plant or any other plant it might like!

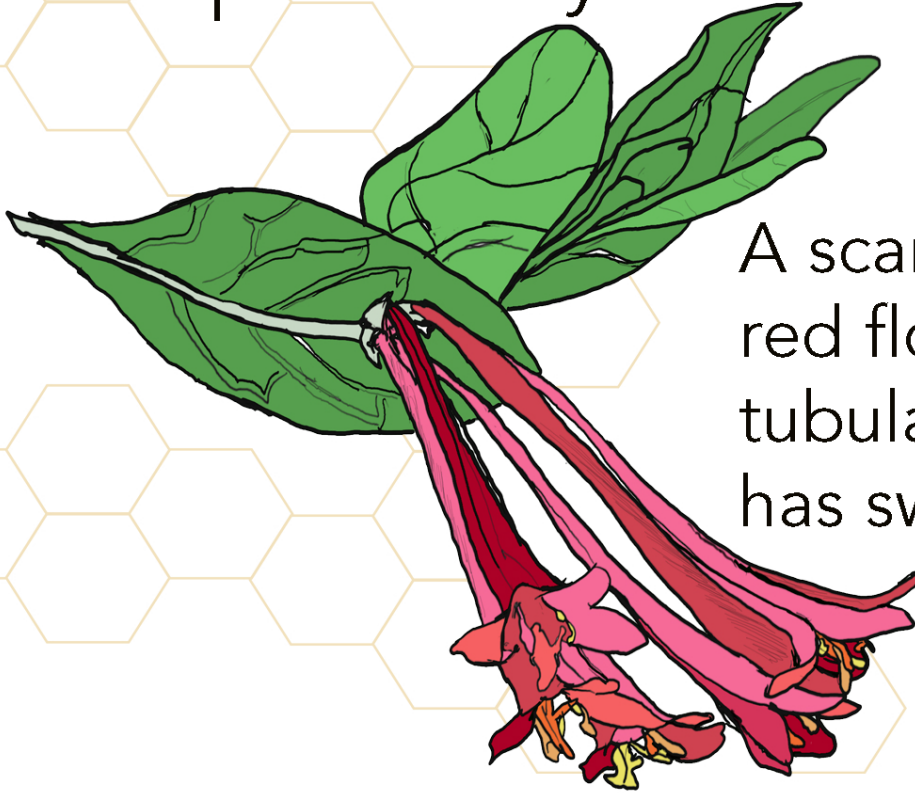

Extender Activities:

Story Starter: Tell a story about your pollinator. What flowers does it like? What does it do during the day or night?

Coloring: Color your pollinator cards!

Trumpet Honeysuckle

A scarlet orange or red flower that is tubular-shaped and has sweet nectar.
