

Introduction to Pollination

For learners that need some introduction to the basics of pollination before beginning the exercises, check out some (or all) of the resources below:

Eden Project, *What is pollination? - a diagram for kids*

<https://www.edenproject.com/learn/for-everyone/what-is-pollination-a-diagram-for-kids>

Student Conservation Association, *Pollinator Puppet Show* (3:50 video)

<https://www.thesca.org/connect/blog/pollinator-puppet-show>

Cornell University Naturalist Outreach,

Pollination: Trading Food for Fertilization (10:58 video)

<https://www.youtube.com/watch?v=LiczM-w3V-U>
