

Seed Stories

Seeds travel in many ways. Some glide in the wind, some float in rivers or oceans, and others get help from people and animals!

Tell a story about a seed. How does it travel? What adventures does it have along the way?

Extender Activity:

The next page lists some fun books about seeds! Can you find them online or in your library?

Seed Reading

The Dandelion Seed (Joseph Patrick Anthony)

The Tiny Seed (Eric Carle)
