

## MUSHROOM MANUFACTURING: MAKING PRODUCTS FROM FUNGI

Mushrooms can be found in an increasing number of unique applications. Check out the resources below to learn more about a few of these mushroom-based products.

*ARUP, Hy-Fi reinvents the brick*

<https://www.arup.com/news-and-events/hyfi-reinvents-the-brick>

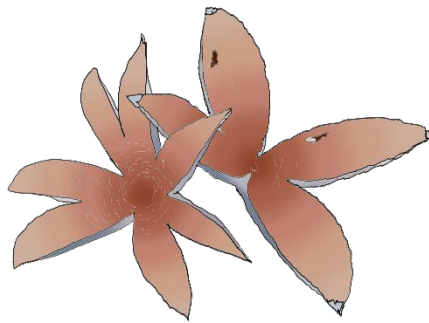

*Danielle Trofe, MushLume Lighting Collection Lookbook*

[https://issuu.com/dtrofe/docs/mushlumelookbook\\_2020](https://issuu.com/dtrofe/docs/mushlumelookbook_2020)

*David Sumerlin, Fungi Perfecti, Making Mushroom Paper*

<https://fungi.com/blogs/articles/making-mushroom-paper>

Try researching some other product applications for mushrooms. Can you think of any new ways of using mushrooms in product development?

*Extender Activity:*

Make your own mushroom product! Check out this website from Evocative Design with instructions and materials for growing your own mushroom project:

<https://grow.bio/>

Evocative Design also has an instructional video:
