

Dirt Defender Pledge

Take a look at the Soil Association's *Save Our Soil* campaign:

Are you able to take any of their steps for protecting soil? Why is soil conservation so important?

Take the Dirt Defender pledge on the next page!

Earth to Sky: Connecting with Our Ecosystem

DIRT DEFENDER

I, _____, pledge to defend the dirt.

I will continue to build my knowledge of soil science,
and I will share this knowledge by educating others
about soil health.

I pledge to protect the soil by using good practices
when gardening or otherwise working with earth,
and I will work to improve soil health by composting,
covering bare soil, and other techniques that I learn.
